- 10 × 1-hour one-to-one sessions over about three months

HOW IT WORKS

- **Co-designed.** You and your coach set the focus of each session together, based on your experience, projects and goals.
- **Remote.** All sessions run one-to-one on Google Meet, scheduled week by week around your agenda.
- **Flexible.** Sessions can be rescheduled with at least 24 hours notice.
- **Confidential.** Everything shared in session stays in session, in full respect of GDPR.
- **Honest.** Coaching does not guarantee an outcome; it builds the awareness, tools and strategy to maximize your professional potential.
